# PORTUGUESE IN POLITICS

**Non-Partisan Club Is  
Organized and  
Officered.**

The "Portuguese Political Club of Honolulu" was organized last night by the adoption of a constitution and by-laws, at San Antonio Hall. About fifty of the most progressive Portuguese citizens of the city were present and all proceedings were conducted in the English language. J. M. Camara had the chair as acting chairman with J. B. Freitas as secretary. The meeting was a warm one in some respects owing to the antagonism of certain of the leaders of opposing factions. Major Camara and J. M. Vivas indulged in some heated remarks throughout the evening and on two or three occasions the chairman went upon the floor to give vent to his feelings which were returned in kind by Mr. Vivas. There was a factional fight from start to finish, as the club is composed of Portuguese who had already affiliated with the Republican and Democratic parties and each was desirous of obtaining the upper hand in the councils. The club is intended to bind the Portuguese voters into a solid phalanx so that they can affiliate with whichever party will extend to the Portuguese the greater advantages and give them some representation in the administration of public affairs.

At the close of the meeting an election of officers was held which was also a hotly contested affair, the leadership being contested for by Major Camara and M. A. Silva, resulting in the election of Camara to the presidency. The full list of officers is as follows: President, J. M. Camara; 1st vice president, M. A. Silva; 2nd vice president, A. G. Correa, secretary, Louis R. Medeiros; treasurer, M. C. Pacheco; executive committee, Frank Andrade, M. P. Furtado, J. F. Durao and Alfred C. Silva. The latter body has power to appoint eight more members with authority to canvass the Portuguese colony with a view to bringing out all voters and eligible persons to become citizens so that the club will become a strong political body.

The latter body has power to appoint eight more members with authority to canvass the Portuguese colony with a view to bringing out all voters and eligible persons to become citizens so that the club will become a strong political body.

The objects for which the club is organized is set forth in the constitution adopted last night, as follows: "The objects of this organization shall be to obtain a decentralization of the governmental power and to obtain legislation vesting the administration of public works, local laws and government in officers to be elected by the votes of the various localities and districts and who owing their official positions to the votes of the people shall thus be directly responsible to the people."

"To procure the naturalization of all Portuguese who are now or shall hereafter become eligible to become American Citizens and by thus increasing the number of Portuguese voters to enable our people to express and exert the influence in public affairs to which our numbers and interests entitle us."

"To procure a full and complete registration and enrollment of all qualified Portuguese voters at all elections."

"And to procure a government of the people by the people and for the best interests of the people in all our local affairs."

Any male Portuguese over eighteen years of age can become a member as it is desirous of acquiring the young people to a knowledge of American politics so that when they become of legal age they can cast their ballots intelligently. The club also sets forth that "In order to obtain the best and most advantageous representation, the club shall, at a special or regular meeting, by a two thirds vote of all members enrolled, a candidate for the Territorial Legislature, who shall be placed and run on such ballot as the club shall designate and deem to be the best interests of the Portuguese voters in this Territory, without permanent party affiliation provided such party shall place said candidate on their ballot."

Meeting are to be held every Friday night during the campaign.

**ALOHA BRANCH THEOSOPHICAL SOCIETY.**

**OFFICIAL NOTICE.**

At the regular annual meeting of Aloha Branch T. S., last March, the following officers were unanimously elected for the present year by 17 votes: A. Marques, president; S. I. Shaw, vice president (since resigned through gross insult by A. Fullerton); S. W. Shaw, secretary; W. Dix, treasurer; L. D. Merry, librarian, while Mrs. M. D. Hendricks and Mrs. A. Rowe, who style themselves president and secretary of the same Aloha Branch, were elected on their side by a fraction of five voters only. The alleged cancellation of Aloha charter by A. Fullerton, June 23, at the request of the minority only, is an illegal act which is null and void. Moreover, by resolution of Aloha Branch, dated April 23, Alexander Fullerton, general secretary American section, T. S., has ceased to be recognized in that capacity by the said Aloha Branch, and all intercourse of the branch with him has been suspended until he fully apologizes: (a) for his ungentlemanly and untheosophical conduct in wantonly insulting five members thereof; (b) for his undue favoritism and pandering to the minority faction; and now for his gross partiality against Mr. Marques, who, on January 7th last, was unjustly and illegally expelled, on false and trumped up charges, by Mrs. Hendricks and her four followers (to-wit: Mrs. A. Rowe, the two Misses Rice, music teachers, and J. Rice, their father), in the absence of all the other members, cowardly advantage being moreover taken of Mr. Marques' own absence through sickness, so as to prevent him having any lawful trial and any chance to defend and justify himself, although he had written for a postponement of the meeting in order to be able to attend. Such is what certain people call Justice, Theosophy and Brotherhood. Fortunately, the whole matter is still on appeal before Colonel Olcott, president-founder T. S.

By order of meeting of July 17, 1902.  
S. W. SHAW,  
Secretary-Elect Aloha Branch T. S.

**Central Kona  
FOR SALE**

By order of REINNE RODANET, Trustee, I offer for sale those certain parcels of land situate at Onouli, South Kona, Island of Hawaii, described in Royal Patent (Grant) No. 1162 of F. O. Schulse, and containing 174 acres. Royal Patent (Grant) No. 2862 to Awahua and containing 739 75-100 acres, situate at Keekupa and Onouli, Island of Hawaii.

This is a tract of land of over 913 acres, situated in the most fertile and richest portion of the Island of Hawaii. It faces the new Government road, extends to the sea, and is five minutes' walk from Kealahou Bay, by way of the old Government road which runs through the property. Portions of the land are already under cultivation.

This tract is so situated that it is about midway between Kailua and Hokena, and five miles from Napoos, three most important ports of the Kona district. It has sufficient elevation, running up to fourteen hundred feet, to be particularly healthful, and its soil is well adapted to the growth of sugar cane, coffee, fruits, dairying or for the promotion of diversified farming.

Occupants of this land have easy access to several ports for export, and with the advent of the Kona Railroad will find themselves in close communication with the thriving City of Hilo. This, of course, affords a splendid opportunity for the exporting of farm products to the California markets.

With the revival of the Kona Sugar Co., considerable portions of this land can be successfully planted to sugar cane.

This is one of the most splendid opportunities for a good investment that has been put upon the market for a considerable period of time.
